How to Cope with Bullying Behaviors

Project ACT Summer Training Workshops

The workshops largely focus on how to manage challenging behaviors in young children and support their social and emotional growth, or focus on disability-specific information as it relates to young children. These workshops are appropriate for teachers and other professionals working with preschool-aged children as well as parents and families of young children.

All workshops are held from 6:30 – 8:30 p.m. at the Abilities Network Training Institute. There is a non-refundable fee per workshop of \$30 per person.

For more information or to register please call 410-828-7700 x1274. Registration will close one week before the training workshop.
