

Maureen Klich, MA Sp Ed

Maureen has a Bachelor of Science in Early Childhood Education and a Master of Arts in Special Education. After teaching Early Childhood Special Education, she worked as a Developmental Therapist providing individual and group therapy for children birth to age 3. She attended Erikson Institute in Chicago where she completed their certificate program for Infant Mental Health and subsequently provided Preschool Mental Health Consultation for state funded Pre-K classrooms. As the coordinator of a cleft lip and palate team and hospital-based child development specialist, she worked with physicians, parents, support medical staff and educators on behalf of children with medical needs.
