

Robin Larrimore, B.S., Early Childhood, Family Studies

Robin graduated from Villa Julie College with a Bachelor of Science degree in Early Childhood Education and Family Studies. Robin has gained a variety of experiences relevant to children's mental health, both through clinical internships and by teaching. During her internship at Johns Hopkins Hospital Children's Center, Robin had the opportunity to work with children who had life threatening injuries or who had been diagnosed with HIV. Through her position at Project ACT she is able to provide mentoring, training, and support to teachers who embrace working with children who have social and emotional challenges.
