

Aimée RA Schlereth - *Project ACT Consultant*

Aimée Schlereth graduated from the State University of New York at Albany with a Bachelor's Degree in Psychology. Aimée has over six years experience working with children, having previously taught within an integrated special needs preschool with children ranging in ages from eighteen months to five years with severe behavioral challenges. During her time working with youth, Aimée has been able to create and implement several successful behavioral interventions for a variety of behavioral concerns.
